

2010 summer playground presents:

LOST IN SPACE... and SCIENCE!

Chabot Space and Science Center

At Chabot Space & Science Center, the universe is yours to experience. Set amid 13 trail-laced acres of East Bay parkland, with glorious views of San Francisco Bay and the Oakland foothills, Chabot is an exciting celebration of sights, sounds, and sensations.

With hands-on exhibits, thrilling Planetarium shows, a giant-screen MegaDome Theater and spectacular telescopes, you will enjoy exploring the wonders of the Universe!
